

RUGGED BEAUTIFUL PORTABLE CONVENIENT **CATERING EQUIPMENT**

Carlisle's catering equipment line is the professionals' choice for your insulated transport needs. Only Carlisle Cateraides can offer attractive styling, longer hold times, and unique features that provide you superior value.

Items in this section are purchased through Carlisle FoodService Products and will ship separately from Dinex orders. Please contact your local sales representative for more information.

CATERAIDE™ IT

Introducing the **newly designed** Cateraide IT insulated transport line of products. IT is the only choice for foodservice professionals demanding they have it all. For the first time, rugged durability and industry leading safe food holding times are combined with **attractive, contemporary styling**. Cateraide IT sets a **new standard for value**.

Insulated Beverage Dispenser

- Heavy foam insulation holds temperatures in the safe zone for over 6 hours
- Field adjustable latches ensure a secure seal for the life of the carrier
- "Spring Action" faucet for no drip service
- Button-hole latch design offers convenient one hand operation and keeps the doors and lids closed tightly for better temperature retention
- Sure-grip handles promote a safe, stable, two-person lift for easy loading and unloading
- Custom logo printing available

End & Top Loader

- Heavy foam insulation holds temperatures in the safe zone for over 6 hours
- Secure stacking for easy transport and storage
- Sure-grip handles promote a safe, stable, two-person lift for easy loading and unloading
- Exclusive, low-profile, double hinge opens 270° for easy loading and unloading; lies flat to save space and makes it less likely to break
- Field adjustable latches ensure a secure seal for the life of the carrier
- Door hinge can be removed for easy, thorough cleaning
- Built-in seal eliminates gaskets on end & top loaders
- Holds six 2-1/2" deep food pans
- Use with CaterCooler to help keep foods at ServeSafe® temps longer (shown on page 177)
- Custom logo printing available; contact customer service at 1-800-654-8210 for additional information

CaterCooler™

- Freeze CaterCooler overnight or for eight hours and it will keep food at or below the ServSafe® guidelines of 40°F for up to eight hours without ice*
- Designed to slide into a Cateraide End Loader, Double End Loader, or place on top of food pans in a Top Loader
- Durable polyethylene shell

ServSafe® is a registered trademark of the National Restaurant Association

*Temperature retention is based on CaterCooler being pre-frozen for a minimum of eight hours, then placed directly into Cateraide pan carrier. Pan Carrier unit is then filled with pre-chilled food pans. Testing was conducted under ambient room temperatures of 76°F.
